

Ja sam iskusan diplomirani **grafički dizajner** iz Novog Sada. Efikasno i sa lakoćom pronalazim vizuelne koncepte i kreativna rešenja. Najviše uživam u **kreiranju i obradi fotografija i videa za društvene mreže i stvaranju vizuelnih brendova za klijente u svrhe marketinga**. Osim toga bavim se i **web dizajnom** sa fokusom na **HTML i CSS** i dizajniranje u programu **Figma**. Saradljiv sam, podjednako dobro funkcionišem i kao član tima, ali i kao lider. Bez poteškoća ostvarujem komunikaciju sa klijentima. Dosadašnje iskustvo čini me pogodnim kandidatom za ove vrste poslova, a uz to sam motivisan za usavršavanjem i učenjem novih veština.

Radna iskustva:

DataDev, Novi Sad

(Jun 2023 - Decembar 2023)

I am an experienced graduate **graphic designer** from Novi Sad. I efficiently and effortlessly develop visual concepts and creative solutions. I especially enjoy **creating and editing photos and videos for social media**, as well as **building visual brands for clients for marketing purposes**. In addition, I work in **web design**, focusing on **HTML and CSS**, as well as designing in **Figma**. I am collaborative and function equally well as a team member and as a leader. I communicate easily with clients. My previous experience makes me a strong candidate for these types of roles, and I am highly motivated to continue improving and learning new skills.

Work experience:

DataDev, Novi Sad

(Jun 2023 - December 2023)

- Internship (project work, working in MicroStation, data extraction using point cloud technology)

Freelance

(June 2024 - April 2025)

- Freelance work conducted independently online using Adobe Photoshop, Adobe Illustrator, Figma, and other tools

Companion for individuals with developmental disabilities

(September 2024 - April 2025)

Milana Hrnjez PR Studio Designs

(April 2025 - May 2026)

- Lead Graphic Designer, Team Leader of a three-person team; responsible for managing social media and the website, video editing, and coordinating meetings with partners (printing houses, production studios...)

To be continued...

Education:

Secondary Technical School

"Mihajlo Pupin", Novi Sad
